NOTICE

Dear Parents and Students

Warm festive greetings!

May the radiant festival of Diwali illuminate your lives with boundless joy, prosperity, and serenity. As we celebrate this festival of lights, let us also embrace our duty towards safety and sustainability. Students are earnestly advised to refrain from using hazardous or noisy crackers and instead choose eco-friendly and safe alternatives that fill our surroundings with light and laughter—not smoke and noise.

May this Diwali be a celebration of hope over despair, light over darkness, and harmony over chaos. Let the celebrations be safe, joyous, meaningful, and environmentally responsible.

Wishing you all a sparkling, safe, and green Diwali!

With Best Wishes
